About This Content

Everything you need is inside to create literally thousands of unique characters including their spritesheets (with over 50 animations supported!), facesets, busts, and paperdolls.

On top of that, there are an absolute ton of tiles included for you to build the world you want to create. Each Medieval pack builds on the others, offering nearly countless combinations of characters and giving an ever-expanding vast library of tiles and other resources to build your dream game.

Features:

- 13 jam-packed Tile sheets for castles, shops, houses, butchers, bakers, tailors, blacksmiths, carpenters, and more!
- 6 unique character templates with nearly 140 pieces of clothing, hair styles, equipment, and more to allow you to create literally thousands of unique characters (fully compatible with other templates and clothing/hair/accessories from other Medieval packs).
- Separated shadows for all characters and animals.
- **BONUS:** 4 children characters, each with 24 spritesheets and a faceset.
