The following link is to a torrent file, please use a torrent client if you'd like to download this file, learn more about torrents here. I'm trying to get the official file and not the cracked version (which I think I have linked to above). A copy of the key is always useful, so please leave a comment. A: Update after cracked file posted: It seems the cracked file has now been officially released. I was able to get to a torrent of the latest cracked file, and it seems to be a simple rename of the file with the string "cracked" added to the f678ea9f9e
